Our selection of undressed dolls is the largest and best this side of New York City. Our dolls are our own importations, our buyer visiting the market and personally selecting all the dolls ordered. His endeavor is to choose those dolls which are not only large and well made, but also those with the most beautiful faces and sweetest expressions, and this is his hobby—to buy dolls that are each year more and more perfect reproductions of the beautiful children of the world, childlike and lovable in appearance, perfect in workmanship, and the largest that can be bought without sacrificing this beauty and quality. Only one who has had experience, and who is also a lover of little children can make such selections. It is this happy combination that our buyer possesses in a high degree. Another proof of the superiority is that we buy only the best makes, such as the Santa dolls—the Kestner dolls—the Handwerck doll, and our own 24-inch VIOLA DOLL at \$10.00, that has become quite famous in the doll world.

## FRATERNITY ELECTION

POLITICIANS OF PHI DELTA THETA ARE QUITE BUSY.

Although the election for national officers will not be held until Saturday, the politicians within the Phi Delta Theta Fraternity are already busily engaged with their slates. Rumor has it that there are three aspirants in the field for the office of president to succeed President Frank Mitchell of Chicago, but it is further stated that all contests probably will be settled before the actual election is held, so there will be no controversy in this closing feature of the week in Washington.

The three names now prominently mentioned in connection with the presidency

John Wolfe Lindley, Sole Surviving Charter Member.

are John B. Ballou of Coshocton, Ohio, who is now treasurer of the General Council; S. K. Rutledge of Indianapolis, Ind., secretary of the General Council, and Arthur M. McCullis of Providence, R. I., historian of the General Council.

The banquet of today is the smoker to be attended by a great majority of the delegates. Souvenir pipes will be given to each delegate attending the smoker, each pipe bearing a silver plate with the legend: "Phi Delta Theta, Convention, Washington, 1906."

The business session today of the convention was secret, and was devoted principally to consideration of a proposed revision in the ritual of the fraternity.

## TO CLOSE CONTRACT.

Reservation of Space at the Jamestown Exposition.

The decision was reached at a meeting of the joint committee on the Jamestown exposition yesterday evening in the rooms of the Board of Trade to close the contract for section seventeen at the exposition. Mr. R. N. Harper of the subcommittee on space, reported the action of his committee at its meeting last Friday, when it was determined to set apart a space for the reception booth. He stated that at the next meeting of the committee Wood, Donn & Deemling would present a drawing of the panels decided upon for the walls of the booth, which would be presented to the full committee at its next meeting.

The decision was also reached that Messrs. Wood & Son would contribute the furniture for the booth; J. H. Small would provide paint and plants for the decoration of the booth, and the architects should confer relative to the share of each in the furnishing of the booth. The committee will be held at 4 o'clock next Friday afternoon in the room of the Board of Trade in The Star Building.

## MR. WEST IS AROUSED

DEFENDS METHOD OF AWARDED LOCAL CONTRACTS.

So aroused was Commissioner West by the criticism of the Commissioners' action in awarding contracts for District work to out-of-town firms, made by members of the Jobbers and Shippers' Association at a meeting held last week, that he made a personal investigation of certain statements relating to the purchase of District supplies, and stated yesterday that he was glad to find that one incident which was commented upon happened ten years ago.

This case, according to Mr. West, was reported by Mr. F. P. May, chairman of the committee on manufacturers, who said that when he was one of the District contractors several hours' delay was experienced by a street gang because picks were furnished by one contractor and handles for picks by another. The record, says the Commissioner, shows that in 1896 Mr. May had the contract for picks and O. T. Carter of this city the contract for pick handles, which was the last date that Mr. May furnished the articles to the District. As to the system of separating the bids for picks and handles, it is explained that the number of handles used is very much greater than the number of picks, inasmuch as handles were frequently broken or become otherwise unserviceable, while the picks remain suitable for use.

"If we bought picks and handles together," said Commissioner West, "and throw away the pick every time a handle became useless, we would waste a good deal of money. Under the present system tools needed by street gangs are kept at the property yards and can be replaced at convenient places on the street after proper requisition is made therefor."

"Regarding the award of a contract for certain plumbing fixtures to a firm outside of the city, the record shows that the firm was the lowest bidder and that it was responsible. Inasmuch as its bid was thoroughly formal and could not, therefore, be rejected, the contract was awarded to the firm on the recommendation of the superintendent of the water department."

## FUNERAL OF SAMUEL CROSS.

Arrangements have been completed for funeral services over the remains of Mr. Samuel Cross tomorrow afternoon at 2 o'clock at the family residence, 1644 Harvard street. Rev. George F. Dudley, rector of St. Stephen's Protestant Episcopal Church, will officiate. The interment, which will be private, will be in Congressional cemetery.

The honorary pallbearers will be Messrs. E. F. Droop, William A. Gordon, W. H. Hoske, Thomas Brown, J. H. Holdsworth, Gordon, George C. Henning, C. W. Howard and Richard Tyler, and the active pallbearers Messrs. James M. Greene, Edward H. Droop, Watson F. Clark, William Hitts, C. B. Lower and Carl Droop.

Chief of Police Albert of Decatur, Ill., stated yesterday that he was informed that John Mont Shultz, reported to have been killed there in October, had collected \$7,000 life insurance on himself and decamped.

TRIAL PACKAGE MAILED FREE TO ALL WHO SEND NAME AND ADDRESS.

"I tried the sample of your cure you sent to me. I used it and then bought a 50c. box. The results were immediate and surprising to me. I assure you I had been to a dozen of the best doctors and paid much money to them with no results whatever. I had this affliction for twenty years. I was in a hospital for a long time, and I left it badly broken down. I have been so bed-ridden at a time as to be unable to walk. Having a friend who lost his life by an operation, I decided from 'ever having that experiment' and on me I was a debt of gratitude. I believe that piles would be banished from humanity and become an unknown thing were every one afflicted with them to buy and use the Pyramid Pile Cure. I have been so bed-ridden for years that I am now able to walk and feel like a new man. I am truly and sincerely, George H. Bartlett, Mattapan, Mass."

Instant relief can be gotten by using the marvelous Pyramid Pile Cure. It immediately reduces all congestion and swelling, heals all sores, ulcers and irritated parts.

The moment you start to use it you are suffering ends and the cure of your great disease is in sight. The Pyramid Pile Cure frequently renders a surgical operation unnecessary. Don't subject yourself to this except as a very last resort.

The Pyramid Pile Cure is put up in the form of "easy-to-use," specially made suppositories. They are soothing, painless, instant and certain.

A trial treatment will be sent you at once by mail, in plain, sealed wrapper, without a cent of expense to you, if you send your name and address to Pyramid Drug Co., 60 Pyramid Building, Marshall, Mich.
